

SY STANZA

MALT BARLEY

SY Stanza is a high-yielding malt barley combining short straw, very good standability and large seed size with niche malt market potential.

Quick Facts

Availability	Available
Yield	102% (AAC Synergy)
Maturity	+2 days (AAC Synergy)
TKW	51 g
Height	70 cm
Lodging	VG

Why It Stands Out

- **Strong yield potential**
- **Short straw**
- **Very good standability**
- **Large seed size**
- **Niche malt market potential**

Our Experience

We've found SY Stanza to have very similar characteristics to Esma, with niche malt demand and no VUA requirement.

Considerations

- Late maturity (+2 days vs. AAC Synergy)
- FHB rating: MS
- Loose smut rating: S
- Spot blotch rating: MS
- Spot form rating: MS
- Net form rating: I
